## 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

## Nature of Activities

The Economic Development Corporation (EDC) was incorporated under the Not-For-Profit Corporation Law in New York State in November 1992. In May 2006, the Organization's name was changed from Warren County Economic Development Corporation to Economic Development Corporation (EDC). EDC was formed to plan and promote, and if necessary, to coordinate and execute programs in the Warren County region of New York aimed at improving the quality of life of its residents by enhancing and diversifying the economy of the region by attracting new industry and/or by encouraging the development of, or retention of, such businesses within the Warren County region.

EDC receives a substantial portion of its revenue through service contracts with various municipalities. The most significant revenue derived from these service contracts is one with Warren County through which it receives reimbursement of its operating expenses, inch to exceed the contract amount. During the years ended December 31, 2017 and 2016, approximately 62%, and 61%, respectively, of the Organization's service contract revenues were derived from the service contracts with Warren County.

During 2017, plans for the Regional Counties Economic Development Loan Fund (the Fund) were finalized and operations began under a column to agreement between EDC and Lake Champlain Lake George Regional Planning Board (LCLERPB). The Fund of up to \$500,000 will provide loans ranging from \$15,000 to \$225,000 for small to add-eited businesses within the geographic region which includes Warren, Washington Franklin, was and Clinton Counties. EDC and LCLGRPB will each facilitate loans depending on the geographic area the potential borrower operates in as well as the nature of the loan.

Financial resources for the Final will come from a grant of up to \$250,000 from Empire State
Development (ESD). The grant from ESD requires matching funds of up to \$250,000, which will be
provided by a grant of the required match. The thans from the banks will be issued to EDC.

Financing provided by ESD grants will not have to be repaid. However, as payments are received, EDC will be reduced to re-local repayments attributable to ESD grants to new borrowers.

As payments are received from borrowers, EDC will be required to make semi-annual payments to the Banks of principal and interest at the WSJ rate per annum.

NY Business Development Corporation (NYBDC) will be retained to provide certain administration and portfolio services which will include underwriting, application and loan payment processing. Applications will be reviewed and approved, or denied, by a Loan Review Committee consisting of representatives from EDC, LCLGR.PB and the Banks.

EDC and LCLGRPB will be required to participate in a loan loss reserve fund in an amount sufficient to cover one year's principal and interest payments.

As of December 31, 2017, no loan applications have been received or approved.

#### 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

EDC prepares its financial statements on the accrual basis of accounting whereby revenues are recognized when earned and expenditures are recognized when incurred.

#### Basis of Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of EDC and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor imposed stipulations.

Temporarily Restricted Net Assets – Net assets subject to denor-imposed subjects to denor-impose

Permanently Restricted Net Assets – Net assets subject to doner-imposed stipulations that they be maintained permanently by EDC. At December 31, 2017 and 2018, EDC had no permanently restricted net assets.

#### Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and nature county donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction.

## Property al: diquipment

Property and equipment expected at cost. For financial statement purposes, depreciation and amortization is compared using the straight-line method over the estimated useful lives of the assets involved.

Estimated useful lives of related assets are as follows:

Furniture and equipment 3 - 6

Expenditures for major renewals and betterments that extend the useful lives of property and equipment at a cost of \$2,500 or greater with a minimum useful life of 12 months or more are capitalized. Expenditures for maintenance and repairs or purchases with a cost of less than \$2,500 and a useful life of less than 12 months are charged to the appropriate expense as incurred.

For the years ended December 31, 2017 and 2016, depreciation and amortization expense was \$4,303 and \$9,872, respectively.

## 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

## Land and Land Development Costs

Land and land development costs represent land and improvements held by EDC to further its mission of developing industrial parks and other real estate to attract new business and industry to Warren County. Land and land development costs are stated at cost.

## Accounts Receivable and Allowance for Uncollectible Accounts

Accounts receivable are recorded net of an allowance for uncollectable abounts. The allowance is estimated based on management's estimates. The determination of abounts receivable that will be charged off is made by management and is evaluated on a case-by take basis. Accounts receivable net of the allowance for uncollectable accounts consisted of the allowance for the years ended December 31, 2017 and 2016:

	017	3916
Receivable from local governments Other receivables	\$ 37,653	\$ 77,416 22,556
Less: Allowance for uncollectible account	\$ 115,820	\$ 99,972 16,000 83,972

For the years ended December 17 and 2011, bad debt expense was \$-0-, respectively.

## Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United Statement America requires management to make estimates and assumptions that affect the reported amounts of the statements and disclosure of contingent assets and liabilities at the date of the statements and the reported amounts of revenues and expenses during the reporting stated. Actual results could differ from those estimates.

#### Income Taxes

EDC is exempt from leastful income taxes under Section 501 (c) (3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been provided for in these financial statements. In addition, EDC qualifies for the charitable contribution deduction under Section 170(B)(1)(a)(6) and has been classified as an organization that is not a private foundation under Section 509(a).

The tax status of tax-exempt entities is an uncertain tax position, since events could potentially occur that jeopardize tax-exempt status. EDC believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on EDC's financial condition, results of operations or cash flows. Accordingly, EDC has not recorded any liabilities, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2017.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Economic Development Corporation

We have audited, in accordance with auditing standards generally accepted in the states of America and the standards applicable to financial audits contained in Covernment Auditing Standards, issued by the Comptroller General of the United States, the financial materials of Economic Development Corporation which comprise the statement of transfer position as of December 31, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our related thereon dates.

2018.

## Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Economic Development Corporation's internal control over mancial seporting (atternal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of Economic Development Corporation's Internal control. Accordingly, we do not express an opinion on the effectiveness of Economic Development Corporation's Internal control.

A deficiency in identical sector when the design or operation of a control does not allow management examployees, in the formal course of performing their assigned functions, to prevent, or detect and correct injustratements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the enterist financial statements will not be prevented, or detected and corrected on a timely basis. A significant resciency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Economic Development Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*,

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performent in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors Economic Development Corporation
We have audited the financial statements of Economic Development Corporation for the year ended December 31, 2017, and have issued our report thereon dated, 2018. Professional standards require that we provide you with Information about our responsibilities under generally accepted auditing standards and Government Auditing Standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement

letter dated \_\_\_\_\_\_, 2018. Professional standards also require that we communicate to you the

### Significant Audit Findings

### Qualitative Aspects of Accounting Practices

following information related to our audit.

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Economic Development Corporation are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the fiscal year ended becember 31,2017. We noted no transactions entered into by the Economic Development Corporation during the year region which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We evaluated the key factors and assumptions used by management in determining that accounting estimates are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management in performing and completing our audit.

### Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no uncorrected misstatements and we proposed no adjustments as the result off our audit procedures.

### Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### Management Representations

We have requested and received certain representations from management that are included in the management representation letter dated \_\_\_\_\_, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to Economic Development Corporation's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as Economic Development Corporation's auditors. However, these discussions occurred in the narmal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Directors and management of Economic Development Corporation and is not interfeed to be and should not be used by anyone other than these specified parties.

Very truly yours,

Maroin and Company, 5.
