

FERRARI

# OUR NEED FOR SPEED DOESN'T STOP AT TWO WHEELS.

Go see the Ferrari Movie and look for the KIRSH Helmets premiere on the big screen.

We are proud to have been selected to create the vintage helmets worn by the drivers in the wonderful movie shot in Italy.

If you provide us a copy of your ticket to the movie or a photo of you wearing your KIRSH HELMET, you will be entered into our drawing on **President's Day February 19th, 2024** and you can win a one-of-a-kind limited-edition helmet commemorating our role in the Blockbuster movie.

Just give us your email and name and you will be entered.

Best of luck, and most importantly enjoy the movie and this special holiday season

Your family and friends at **KIRSH HELMETS**

I have a big surprise for all of you and we just now can announce we were picked up by **MICHAEL MANN PRODUCTIONS** for his next Box office Hit which Premieres Christmas Day 2023. The new film **FERRARI** starring Adam Driver and Penélope Cruz, you will see our helmet being used throughout the film. Jason went to Milan and worked with their production team to create a customized version of the CHM-1 Helmet for use on the racetracks in Italy. *When they needed a unique low-profile helmet for this movie, and after searching the planet they had one choice, and we were able to deliver just what they needed, a helmet with the style, safety and comfort their actors and crew needed to be sure to present the best images possible for the Ferrari movie. When the best needed the best they came to KIRSH Helmets.*

[WATCH THE TRAILER](#)

Left and below: On the set where the crew prepares KIRSH Helmets for the upcoming film. They did an amazing job recreating the look for the genre. Jason was on hand to help with the lids as well. The result is what you see in the header above but, go see the movie and check it out for yourselves.
