DATE

TIME

LOCATION

UA Plumbers & Steamfitters Local 773

37 Luzerne Rd, Queensbury, NY 12804

Originally established as a commercial/industrial park over 20 years ago, Tech Meadows is a 46-acre, largely undeveloped property at the western edge of the city of Glens Falls, bordered by Upper Sherman Avenue, Luzerne Road, and Veteran's Drive just off Exit 18. The property is uniquely owned by the City of Glens Falls but surrounded by the Town of Queensbury on all sides.

We will discuss the history of the property, current zoning, and explore multiple options for its future use.

Help us decide what's best for our community.
